Bedrukking mogelijk

Combicolor lidded bin - 600 x 400 x H 439 mm - reinforced base - black / orange

Product specifications

External dimensions (L x W x H)	600 × 400 × 439 mm
Internal dimensions (L x W x H)	553 × 353 × 406 mm
Max. stacking load (kg)	250 kg
Capacity	86 liter
Handles	Closed
Sidewalls	Closed
Material	PPC
Article number	30.642.DB.10.6
Weight (kg)	4,2 kg
Temperature range	-20°C to +50°C, briefly up to +90°C
Color	Black-orange
Bottom	Closed, reinforced
Load capacity (kg)	40
Quantity per pallet	20
Stacking height (mm)	423

Eigenschappen

Modern lidded bin in Combicolor design.
Dimensions: 600 x 400 x H 439 mm (including lid)

Combicolor lidded bins make “colour coding” possible: each application or department is assigned its own colour combination

The bin is black and the lid is orange

The lid is hinged and fitted with two snap-slide closures

The closures snap shut when the lid is closed. To open, the lid is unlocked by sliding the closures outwards

When open, the lid is removable (if designed without hinge reinforcements)

Lidded bins can be stacked with each other - with or without lid

Fully closed design - both walls and base

With closed handgrips - for optimal volume use and protection against dust etc.

The base is reinforced

The lid has a particularly striking colour that contrasts with the bin

Widely used in applications where distinction is important

Food-safe and hygienically designed

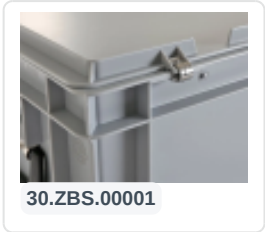

Options: printing - hinge reinforcements - foam sheet in the lid

Omschrijving

Black stacking bin with lid with hinged lid in Euro norm format 600 x 400 mm. Made of food-grade plastic. The lid container is composed of a stacking container, orange hinged lid, and two snap-slide fasteners. The lid container has a closed bottom with reinforced construction, making it suitable for heavier loads. The hinged lid is removable when in the open position. The container can also be stacked with the lid. Due to its standardized dimensions, the lid container can be stacked with all other Euro norm stacking containers. Additionally, the lid container fits perfectly and without loss of space on standardized pallets, roll containers, and mobile bases. We supply foam interiors, seals, and label holders as accessories for the lid containers.
