

Artikelnummer: 30.ZZK.00001

Cooling element - separate - for Insulation box-in-box (600 x 400 mm)

Product specificaties

External dimensions (L x
W x H) 460 × 260 × 20 mm

Material PPC

Article number 30.ZZK.00001

Weight (kg) 1,2 kg

Color Blue

Quantity per pallet 250

Eigenschappen

Cooling element for insulation box-in-box 600 x 400 mm (see "Related products").

Can be placed separately inside the insulation box-in-box.

This helps to maintain the contents of the insulation box-in-box at the desired temperature for an extended period.
