Foot control for two-wheeled container

Product specificaties

External dimensions (L 850 × 480 mm x W x H)

Article number 99.2333114

Weight (kg) 1 kg

Eigenschappen

Foot control designed for mounting on 2-wheel plastic waste containers

Compatible with waste containers of 60, 80, 120, or 240-liter capacity

Omschrijving

Foot control suitable for mounting on 2-wheel plastic waste containers. The foot control fits waste containers with capacities of 60, 80, 120, or 240 liters. The pedal opens the lid. Waste can be deposited using the foot control in accordance with HACCP standards, without touching the lid. An absolute necessity in hygiene environments!
