

Artikelnummer: 93.9114

Bedrukking mogelijk

Stacking bin - 800 x 600 x H 510 mm (on feet)

Product specificaties

External dimensions (L x W x H) 800 × 600 × 510 mm

Internal dimensions (L x W x H) 720 × 515 × 400 mm

Capacity 140 liter

Handles Closed

Sidewalls Closed, reinforced

Material HDPE

Article number 93.9114

Weight (kg) 12 kg

Temperature range -30°C to +80°C

Color White

Bottom Closed, reinforced

Eigenschappen

140 L transport bin on feet may also be stacked: when stacked without lid, the feet go inside the bin

Omschrijving

The Plastic Stackable Euro Container Euronorm, also known as a transport container, with dimensions of 800 x 600 x H 510 mm and a capacity of 140 liters, offers a practical and versatile solution for both storage and transportation. This closed storage and transport container stands on four legs, allowing it to be easily placed on pallets and moved with forklift trucks.

With a generous capacity of 140 liters, this stackable container provides ample space for storing and transporting various goods, from smaller items to larger objects. Whether for use in warehouses, distribution centers, or for logistical purposes, the Plastic Stackable Euro Container Euronorm is a reliable and efficient choice for organized storage and seamless transportation.
