Eigenschappen

Modern stacking bin with hinged lid from the **BLACK LINE**. Dimensions 600 x 400 x H 295 mm (including lid)

The lid is hinged and fitted with two snap-slide closures

The closures snap shut when the lid is closed. To open, the lid is unlocked by sliding the closures outwards

When opened horizontally, the lid is removable (if designed without hinge reinforcements)

The lidded bins can be stacked with each other, as well as with other Euronorm bins - with or without a lid

Fully closed design - both the walls and the base

With closed handgrips - for optimal volume utilisation and protection against dust etc.

The base is reinforced

Frequently used for applications where an exclusive appearance is required

Food-safe and hygienically designed

Options: printing - hinged lids in another colour - hinge reinforcements

Omschrijving

Lidded bin from the BLACK LINE

Plastic stacking bin with hinged lid and two snap-slide closures; in **Euronorm format** (600 x 400 x H 295 mm - 55 liter). Finished in **black** and part of our **BLACK LINE series**.

Application

The BLACK LINE series is a product range mainly used in applications where **an exclusive appearance** is required. Catering, event catering and airport catering are good examples of this. This product range is also used for the sale and delivery of exclusive meat and fish products. The BLACK LINE series is also highly suitable for use as a promotional gift. The **lidded bins in case version** in particular are often used as **outer packaging for promotional gifts**, with contents that can vary widely. The BLACK LINE series is very extensive and includes not only stacking bins, but also plastic pallets and pallet boxes; the range is also regularly expanded.

Product details

Thanks to the **standardised dimensions** (600 x 400 mm), the lidded bin is **stackable with all other Euronorm stacking bins** and **perfectly compatible** with standardised pallets and mobile plastic trolleys or roll containers.

The lidded bin is food-safe, has a **hygienic design** and is fitted with two **closed handgrips** for optimal volume utilisation and to optimally protect the contents from external influences. Designed with a **reinforced base** underside.
