

# Stacking bin with lid - 600 x 400 x H 335 mm - reinforced base - white

## Product specificaties

|                                  |                                     |
|----------------------------------|-------------------------------------|
| External dimensions ( L x W x H) | 600 × 400 × 335 mm                  |
| Internal dimensions (L x W x H)  | 553 × 354 × 305 mm                  |
| Max. stacking load (kg)          | 250 kg                              |
| Capacity                         | 64 liter                            |
| Handles                          | Closed                              |
| Sidewalls                        | Closed                              |
| Material                         | PPC                                 |
| Article number                   | 30.632.DB.0                         |
| Weight (kg)                      | 3,7 kg                              |
| Temperature range                | -20°C to +50°C, briefly up to +90°C |
| Color                            | White                               |
| Bottom                           | Closed, reinforced                  |
| Load capacity (kg)               | 40                                  |
| Quantity per pallet              | 28                                  |
| Stacking height (mm)             | 324                                 |

## Eigenschappen

Modern stacking bin with hinged lid from the **SOLID LINE**. Dimensions 600 x 400 x H 335 mm (including lid)

The lid is hinged and fitted with two snap-slide closures

The closures snap shut when the lid is closed. To open, the lid is unlocked by sliding the closures outwards

When opened horizontally, the lid is removable (if designed without hinge reinforcements)

The lidded bins can be stacked with each other, as well as with other Euronorm bins - with or without a lid

Fully closed design - both the walls and the base

With closed handgrips - for optimal volume utilisation and protection against dust etc.

The base is reinforced

Food-safe and hygienically designed

Options: printing - hinged lids in another colour (for colour coding) - hinge reinforcements

# Omschrijving

Lidded bin from the **SOLID LINE**

**Plastic stacking bin with hinged lid and two snap-slide closures**; in Euronorm format (600 x 400 x H 335 mm - 64 liter). Finished in **white** and part of our **SOLID LINE**.

## Product details

Thanks to the **standardised dimensions** (600 x 400 mm), the lidded bin is **stackable with all other Euronorm stacking bins** and **perfectly compatible** with standardised pallets and mobile plastic trolleys or roll containers.

The lidded bin is food-safe, has a **hygienic design** and is fitted with two **closed handgrips** for optimal volume utilisation and to optimally protect the contents from external influences. Designed with a **reinforced base** underside.
