

Artikelnummer: A-89007-RVS-VI

Stainless steel fish box trolley

Product specificaties

External dimensions (L x W x H) 790 × 400 × 165 mm

Material Stainless steel

Article number A-89007-RVS-VI

Weight (kg) 6,5 kg

Load capacity (kg) 300

Eigenschappen

The trolley is provided with six Ø 125 mm nylon rigid casters; to prevent accidents, no swivel castors are used

Because two rigid casters extend lower down, the trolley may be rotated on its own axis

Stainless steel trolleys may be stacked without problems; the recesses for the lowered rigid caster make safe stacking of the trolleys possible
