

Artikelnummer: A-89009-RVS

Stainless steel trolley

Product specificaties

External dimensions (L x W x H) 655 × 410 × 165 mm

Article number A-89009-RVS

Weight (kg) 6 kg

Load capacity (kg) 300

Eigenschappen

Because two rigid casters extend lower down, the trolley may be rotated on its own axis

Stainless steel trolleys may be stacked without problems; the recesses for the lowered rigid caster make safe stacking of the trolleys possible

Stainless steel trolley A-89009-RVS is provided with six Ø 125 mm nylon rigid casters; to prevent accidents, no swivel castors are used
